---

# MY DEAR GUESTS

Welcome you to Riad Zhor Tanger.

*I have the pleasure of welcoming you to our "Palais de Poche Tangérois" with as much joy as emotion.*

*Since 1900 this building has welcomed Tangier families, and in 2023 it was converted into a guest house welcoming guests who all appreciated its calm, comfort and exceptional discretion.*

*The very central location of street Ibn Abdesadek is located in the heart of the Medina, a magical environment with markets, art galleries, antique dealers, boutiques, concept stores, artisans: a labyrinth of perfumes and colors unique to Tangier. This is where throughout your stay, my team and I will provide you with attention, help and suggestions so that you live your Tangier experience 100% and so that it remains unforgettable.*

*Welcoming you with kindness and naturalness, making you feel good as soon as you walk through the front door as if you were expected by loved ones, sharing emotions with you and sparking encounters with soul and passion, surprising you with lovely attentions: here is my deepest desire.*

*I wish you an excellent stay with us in the heart of the Pearl of the North.*

Magalie Mengardon - Housemistress
